CURRICULUM DELIVERY

Rationale:

Paekakariki School will provide a well-balanced stimulating curriculum to meet the educational needs of all students.

Purposes:

1. All students learning needs are met
2. Any barriers to a pupil's education are addressed
3. All curriculum delivery is balanced as per the relevant curriculum/scheme requirements.

Guidelines:

The delivery of all curriculum subjects at Paekakariki School will be based around on three sets of guidelines:

1. The requirements in the National Administration Guidelines (1)
2. The relevant New Zealand Curriculum documents
3. The relevant school requirements through the school schemes of work
4. Paekakariki School policy and procedures
5. Curriculum areas will be reviewed as per Paekakariki School's cycle of review (see curriculum review documents)
6. Every endeavour will be followed to meet the learning needs of all students at Paekakariki School. This includes support in special needs and special abilities programmes

Conclusion

An effective well balanced programme will be taught, at Paekakariki School, in all curriculum areas to meet the needs of all students.
