NEWSLETTER # 9

3rd April 2008

Hi Parents/Caregivers

Kia ora koutou

ENVIRO SCHOOLS

Because we are an Enviro School six teachers came from other schools to look at our recycling efforts. We showed them our paper, card and plastic recycling and the worm farm. We think the visiting teachers were suitably impressed by our efforts and hopefully will have gathered some useful information to take back to their schools. We also have plans to create a garden and would like to thank Graham Carlsen who has donated plants. The enviro group will be planting these out today.

CONTACT DETAILS

We have had rather a bad run of broken limbs in the past three weeks. Although we have been able to contact those parents involved it does make us all aware that keeping contact details up to date is very important. With that in mind if there are any changes we need to know about please contact Moira at the office.

BOARD OF TRUSTEES MEETING

Allan Marsden presented the 2008 Annual Plan at Monday's board meeting. There was a general discussion on school security following our recent vandalism.

JUNIOR SPORTS

We have Junior Sports every Tuesday afternoon. Would children please wear suitable footwear for the occasion. Thanks.

NETBALL COACHES

Any parent who is interested in coaching netball please contact Chrissy Adams ASAP.
