Hi Parents/Caregivers
 Kia ora koutou

With the cold weather upon us we are delighted with the way the new boiler conversion is keeping our classrooms warm.

We hope you all have a good weekend and be especially kind to your mothers on Sunday.

THANKS

Huge thanks to Trevor Hamilton for making equipment for our Junior Smartmoves programme.

ENTERTAINMENT BOOKS

On Monday we distributed the fundraising Entertainment Books to the oldest child from each family. We did ask in former newsletters for you to respond whether or not you wanted these books. Some of you had told us

before hand that you didn't want them and others have since handed them back. This has created a lot of unnecessary work. If you don't want to buy it or can't sell it please give it back to the office or the classroom teacher. We don't really want to spend time chasing up unreturned books or money so if you can either buy it or return it promptly we would much appreciate it. Thanks.

TEACHERS ONLY DAY- As part of our whole school staff development there will be a teachers only day on June 19th. All staff will be attending an ICT training day. Thank you for your support in this.

This will run for a two week period. You will have noticed (hopefully) that our colleagues in the KCDC have commenced an education programme informing the public of cyclists' responsibilities.
