Hi Parents/Caregivers

Kia ora koutou

Thanks to all the parents who managed to make it to the student/parent conferences yesterday. Although it was a long day for the teaching staff we find these occasions are very beneficial to all concerned. We hope that you also found them useful and informative. If you would like to see your child's teacher at any other time please make arrangements for through the school office for an appointment.

BUS STOP

If you need to pick up your children after school please don't park your car on the bus stop. Although the signs have been knocked down the markings on the road indicate no parking. It is also easier for children exiting school to see up Wellington Road if there are no cars parked to the north of the driveway.

COMMUNITY SOFTWARE

We are once again participating in the Community Software Plan featuring great value bundles of the new-to-CSP Computer Classroom at Home series. Each bundle contains 4 titles (Maths, English, Reading & spelling) for a specific age group. Students from our school have benefited from EDALive software in the past. Through CSP

parents can purchase a bundle for \$37.95. As part of the plan our school will receive a free unlimited school site licence for the Edalive software title of our choice. Order forms went out to families this week. Please return your orders to the school by Friday 14th August.

BOOK CLUB

Could we please have all orders for the latest book club in by this Friday 7th August. Thanks.
