Hi Parents/Caregivers

Kia ora koutou

What a wonderful sight it was to see the whale last Friday. Thank you Bridey and John for spreading the news. Spectacles like that make Paekakariki a very special place to live in. We are so lucky!

*Paekakariki School  
Productions present  
"1000 Cranes".*

This great piece of theatre will be performed Wednesday through to Friday - September 2 - 4 at 7:00pm. So put at least one night aside to come and see this.

The story is about a girl named Sadako who loses her fight with leukaemia after the dropping of the atomic bomb on Hiroshima.

### **FRUIT TREES**

This week the Junior School and the Envirogroup planted 8 fruit trees at school. Some of these came from the Kapiti Council and the rest were funded by the Health Board healthy

eating initiative. We look forward to eating plums, apples, peacherines and walnuts in a few years. Many thanks to Hannah, Mark, Heather, Joe and Stacey.

### **PAEKAKARIKI FAIR**

**Tombola.** Does anyone work for a company or business where they could get items for the tombola i.e. drink bottles, vouchers, teddies, balls, anything really. But it must be new. Please contact Heather if you have anything you can donate.

**White elephant.** Any items for the white elephant, clothing or book stalls can be dropped off at school.

**Plants.** If anyone has seedlings or self-sown/unwanted plants the kids could pot up for the fair, we'd love to have them. Also any spare pots/containers. Bring to the office or, if they need to be picked up, ph Andrea 905 7427

### **NETBALL**

The netball season has ended and we would like to thank Ms Evans, Ms Flighty, Rita Hartnett and Naomi Ratana for the time and effort they put in to coaching and supporting the teams.

Also many thanks to the managers; Denise King, Jo Packman and Rose Northcott who looked after the equipment. We couldn't have done it without you.

And finally a big thanks to the girls who participated in this season's netball teams.

### **SWIMMING**

Today is the final swimming session for the seniors. These extra lessons have been invaluable for extending the students' skills and we have seen some tremendous results.

### **MOVIES**

There is a lot of activity going on around the school with budding actors, directors and film makers. The children are very excited so we can't wait to see the finished results. Our film festival is scheduled for Wednesday 23<sup>rd</sup> and Thursday 24<sup>th</sup> September. Don't miss it!

### **ASSEMBLY**

Tomorrow Rooms 1 and 7 will be hosting assembly. Everyone is welcome.
